EXPLORE NEW GALAXIES
OF HEARING

EXPLORE NEW GALAXIES OF HEARING

With STRATOS, you
can launch into a new
dimension of hearing.
Stronger performance, more
connectivity features and
even easier handling make
these new hearing aids
heroes of everyday life.

Let's explore how
STRATOS hearing aids
can help make your
future brighter...

Stellar hearing aids at your level

A suite of new or updated features enable personalized adjustments, more comfort in noise and better focus on speech.

Offering stellar sound at all levels.

PERFORMANCE LEVELS

9 FIRST
For the **very social person** who appreciates **premium quality** and spends time in **many different listening situations** with **a lot of background noise**.

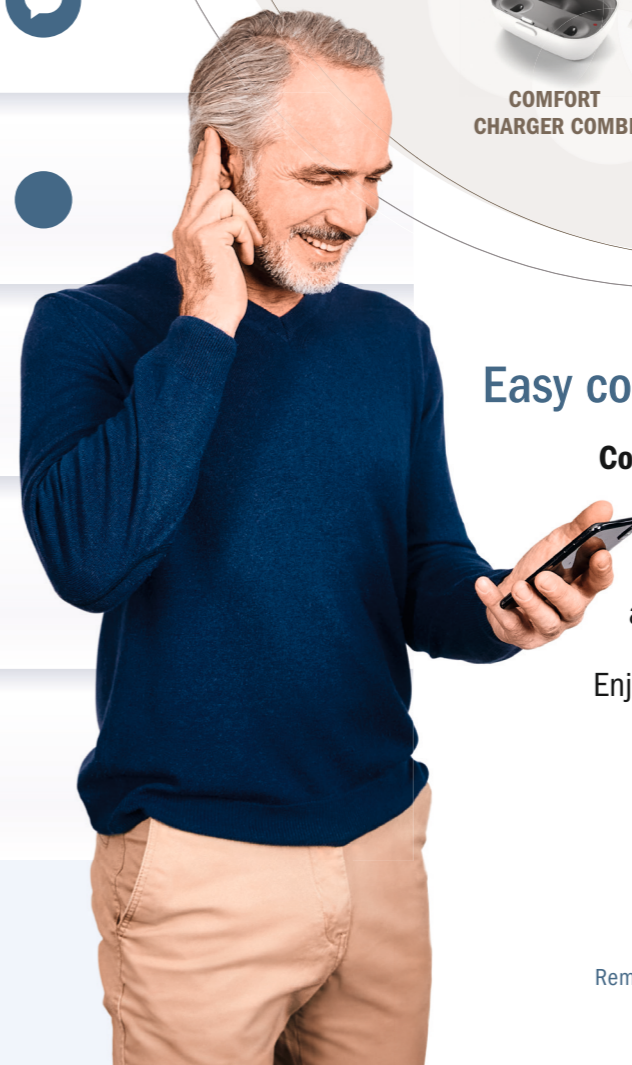

7 BUSINESS
For the **social person** who appreciates **quality** and spends time in **many different listening situations** with **regular background noise**.

5 COMFORT
For the person who is **occasionally social** and spends time in **a few different listening situations** with **frequent background noise**.

3 ECONOMY
For the **quiet person** who spends time in **very few different listening situations** with **almost no background noise**.

Rechargeable: Up to 24 hours of runtime

Advanced Lithium-ion technology gives the rechargeable STRATOS hearing instruments up to 24 hours of runtime between charges.

Easy connectivity for every day

Connect your hearing aids to **all mobile phones**

Answer the phone with a simple tap on your ear

Enjoy **hands-free phone calls**

Personalize your listening experience with your smartphone

Optional accessories:
Remote Control, PartnerMic, TV Connector

Ask your hearing care professional about the Lifestyle Analyzer to find the right performance level for you.
