A vibrant blue nebula with a bright white starburst at its center. The starburst has multiple rays extending outwards, creating a glowing effect. The nebula's structure is intricate, with wispy and filamentary patterns. The background is a deep, dark blue, peppered with numerous small, bright blue stars of varying sizes. The overall scene is ethereal and cosmic.

EASE OF USE

The background is a deep blue space filled with numerous small, bright blue stars. A prominent, bright white starburst with multiple rays emanating from its center is positioned in the upper-middle section. To the right, there is a large, glowing blue nebula with intricate, swirling patterns. The overall scene is ethereal and celestial.
